

Referral Form

Operation Round Up® is funded by co-op members who contribute to the program by having their electric bills "rounded up" each month to the next dollar.

Funds collected through Operation Round Up® offer support to individuals, communities, and organizations in and around the cooperative's service area in times of loss or need, due to such events as death, sickness, emergency, fire, natural disaster, etc. This may include providing support to programs related to heating assistance, shelter, public safety, and other basic human needs. Disabled veterans may also be eligible for assistance.

The maximum donation/contribution will be \$800 per individual/family or \$2500 per community or organization per year.

I, _____, would like to refer

_____ to the Operation Round Up program.

Please explain the circumstances on which your referral is based:

Signature of person making referral

Phone number of person making referral

NOTE: Referrals will remain confidential
